

*The members of the West Orange Junior Service League invite you to consider the following Sponsorship Opportunities for our 10<sup>th</sup> Annual 5K and Fun Run.*

The West Orange Junior Service League (WOJSL) is honored to continue our partnership with the community of Oakland Park located in West Orange County to host the 10th annual 5K at Oakland Park.

#### **ABOUT THE WOJSL**

In 1936 a group of women, now known as the West Orange Junior Service League, formed a non-profit organization. Their goal was to foster an interest among its membership in the social, economic, education, cultural, and civic needs of the communities of West Orange County. Today, local organizations rely on our help not for the extras, but for the basics.
